MIRLITON FANTASY

## Nihon Orcs: the Ogres of the East

### General rules

- Nihon Orcs, the Ogres of the East, like other Ogres, can be used by many armies to add power and combat ability. They are very good warriors, with their huge size, strength and ability in martial arts.
- Nihon Orcs can also be warchiefs, battle leaders or heroes.
- They can be enlisted as normal troops from the Orcs and from the Hobgoblins & Goblins armies and as allied or mercenaries by all the armies that can have an allied command of these two races.
- In an army of Orcs and Goblins & Hobgoblins a Nihon Orc can be the Warchief, but his Command must lined up at least one Unit of Nihon Orcs. This Command can also line up a Nihon Orc Hero, a Nihon Orc Portebanner and max two Nihon Orc Heralds.
